(That person who is awake in those that sleep, shaping desire after desire, that, indeed, is the pure. That is Brahman, that, indeed, it called the immortal. In it all the worlds rest and no one ever goes beyond it. This, verily, is that, kamam kamam : desire after desire, really objects of desire. Even dream objects like objects of working consciousness are due to the Supreme Person. Even dream consciousness is a proof of the existence of the self.

No one ever goes beyond it: cf. Eckhart: 'on reaching God all progress ends.')

MANGALURU – SO UNIQUE....

Mangalore, officially known as Mangaluru, is the chief port city of Karnataka – popularly called as GATEWAY OF KARNATAKA. This city serves as the administrative headquarters of the south-west district of Karnataka called Dakshina Kannada and is bound by the mountain ranges of Western Ghat and the Arabian Sea on all sides. With Arabian Sea to the West and the Western Ghats to the East, this Coastal Strip is a land of rivers, backwaters, beaches, green hills and warm hearted people called Tuluvas.

MANGALORE – HISTORY.....

Mangalore developed as a port in the Arabian Sea during ancient times and became a major port of India. This port handles 75 per cent of India's coffee and cashew exports. The port is used as a staging point for sea traffic along the Malabar Coast. Mangaluru possesses a very rich and glorious history. Mangalore was named after the deity Mangaladevi, the presiding deity of the Mangaladevi temple. This coastal city was ruled by several major powers, including the Kadambas, Alupas, Vijayanagar Empire, Keladi Nayaks and the Portuguese. European influence in Mangalore can be traced back to 1498, when the Portuguese explorer Vasco da Gama landed at St Mary's Islands near Mangalore. In the 16th century, the Portuguese came to acquire substantial commercial interests in Canara. Krishnadevaraya (1509–1529), the then ruler of the Vijaynagara empire maintained friendly relations with the Portuguese. The city was a source of contention between the British and the Mysore rulers, Hyder Ali and Tipu Sultan. Eventually annexed by the British in 1799, Mangalore remained part of the Madras Presidency until India's independence in 1947. The city was unified with the state of Mysore (now called Karnataka) in 1956

MANGALURU – NATURE AT ITS BEST.....

Mangalore has a tropical monsoon climate and is under the direct influence of the Arabian Sea branch of the southwest monsoon. Mangalore receives about 150' of rainfall in a year, of which about 60% of rainfall is in the months of June and July. The beauty of Mangaluru monsoon is beyond words to explain. In these months the sun rarely shows up out of the dense clouds, rains rarely stop showering, rivers will be swollen with gushing waters. The view of the estuaries and beaches of Mangalore are a cynosure to the eyes of the tourists who visit Mangalore to enjoy the beauty of Mosoons and Nature.

MANGALURU – PEOPLE FRIENDLY AND A CULTURAL HUB.....

Tourists love this place for its lush green parks, pristine lakes, warm beaches, sea food and much more. Mangaluru is widely popular throughout the world for its hospitality and is considered to be a landscape of luxurious green fields, enchanting forests and palm-fringed beaches. It renders a very relaxed and pleasant atmosphere to the people who think of spending their time here. The spicy sea food available is the best thing one can have on his or her stay in Mangaluru.

The culture, people and festivals of Mangaluru are considered to be the most integral part of the city. The culture of Mangaluru is also exposed in flourishing industries, the beaches that are sun-kissed and the exquisite temples of the city. Mangaluru is truly a multicultural city and the same is also highlighted through its handicrafts, dance forms, cuisines, rural sports and festivals.

Many classical dance forms and folk art are practised in the city. The Yakshagana, a night-long dance and drama performance, is held in Mangalore and its neighbourhood while Pilivesha (tiger dance), Bhoothada Kola, folk dances are unique cultural heritage practices of Tulunadu.

Coastal Karnataka is the educational hub of the country, offering diversified learning opportunities.

March of Mangaluru Branch

-CA B Chandrakanth Rao

(May you move in harmony, speak in one voice; let your minds be in agreement; just as the ancient gods shared their portion of sacrifice. May our purpose be the same; may we all be of one mind. In order for such unity to form I offer a common prayer. May our intentions and aspirations be alike, so that a common objective unifies us all. (SangathanSookta-Prayer for unity- RigVeda)

When the founding pioneers conceived the idea of bringing together the chartered accountant fraternity of Karavali Karnataka, and gave shape to the organization called Mangalore Branch of SIRC of ICAI, they would not have visualized the growth and spread of the organization to what it is this day. This is quite common in the case of all successful organisations which have had a steady growth in synchronization with the needs of its constituents. Mangalore Branch of SIRC of ICAI is no exception to this phenomenon. When the constituents think and speak in harmony, their common objectives build an indelible bond leading the congregation towards sustained success.

The words that follow are an attempt to capture the nuances of the success saga of this great organization – the March of Mangalore Branch of the Institute of Chartered Accountants of India in the path of professional excellence.

Mangalore, in the 1970s was by and large, still a municipality, basking under the glory of being a birthplace of pioneer financial enterprises like banks and insurance companies, and with economy centered around tiles, areca and fisheries. The town was also home for quality education which produced a steady flow of educated and technically trained youth who exported themselves to other parts of the country and abroad. The strong financial and business background of the communities in the region also nurtured the growth of the

finest of professions in the financial sector – Chartered Accountancy. As the number of students taking the examinations under the tutelage of the handful of veteran chartered accountants in Mangalore and Udupi steadily grew, the seniors in the profession thought it fit to provide an examination centre for the CA students in Mangalore. This need of the students was at the root of the formation of the Branch in Mangalore.

The Branch was born in the year 1971. The initiatives of the members like Sri K N Basri, Chairman of Karnataka Bank, Sri N N Pai, Chairman of Corporation Bank, veteran members in practice like Sri K Babu Rao, Sri C P Verghese, Sri L C Rodrigues and Sri V M Shetty laid the foundation of the organization. Mangalore got its chartered accountant examination centre at the St Aloysius College, which has continued to be one of the finest examination centres to this day.

Seniors in the profession do not recollect many events of member congregations in the initial years. Cent per cent scrutiny of all tax returns with long hours in the income tax offices and late evening office sessions did not give much time for these veterans to meet for professional education sessions. The branch began operations in the first floor of Udaya Printery Building – a one room wooden floored rented premises at Kodialbail, big enough to conduct the occasional evening study circle meetings of members and students. The premises got its first part time librarian cum office staff in Mr M C Shetty, who operated the premises from 5 to 7 pm mainly for supply of student registration and article transfer forms, examination forms and institute publications. Sri Prakash Basri, who practiced in the neighbouring BGM Fine Arts Building, lent administrative support during day hours and came to have a long association with the Branch as Office Bearer till it moved on to its new own premises during his year of Chairmanship.

One significant event that the Branch witnessed in the initial years was the election of one of its senior members, Sri A Raghavendra Rao, as Council Member to the Southern India Regional Council– a landmark event which has not yet been repeated thereafter. The member and student friendly initiatives like study circle meetings, coaching classes and public events like felicitation to Sri P A Nair, President of ICAI and other dignitaries gathered momentum under the leadership of Sri S. S. Kamath. Handwritten postcards inviting members to study circle meetings brought in members for animated professional discussions centered around tax laws. Regulars like Sri S. S. Kamath, Sri M. R. Kamath, Sri B. B. Shanbhogue, Sri Ganesh Shenoy, Sri A Krishnamoorthi and other seniors made the evening hour discussions quite interesting, and in turn, inspiring to the younger members present. Under the leadership of Sri A. S. Kadambar, Mangalore Branch witnessed new initiatives in professional learning in the form of full day seminars at Hotel Manjarun featuring guest speakers visiting from other metro cities and cyclostyled background material being provided to delegates.

Continual Professional Education concept had yet to set in when Seminars, Workshops and study circles began to be conducted with member and student attendance ensured mainly

on account of personal persuasion by office bearers. The need to have larger premises to house member and student activities and library was increasingly being felt. The Building Committee under the chairmanship of Sri N A Kudva, went about the task in meticulous precision due to the spontaneous financial

support of members and of encouragement of Sri B P Rao, son of the soil and then Vice President of ICAI. An agreement was entered to acquire 2814 sq ft ready built premises at Mahendra Arcade at Rs 525 per sq ft. Between June 1994, when Agreement was entered into and December 1994, when the registration of the document was executed, enthusiastic responses from members and well-wishers poured in, notably from Sri A. Suresh Rao and Sri Sriramulu Naidu who mobilized more than Rs 7 lakhs, Sri B. B. Shanbhogue, Sri Nitin Shetty, Sri Prakash Basri and corporate houses like Bharath Beedies, PVS Beedies, Canara Workshop Ltd and Prakash Beedies who contributed substantially to raise around Rs 14 lakhs. The ICAI grant of Rs 1.50 lakhs and Bridge Loan of Rs 3 lakhs made up for the total acquisition cost of Rs 19 lakhs. The new own premises was inaugurated by ICAI President Sri B P Rao on 4th January, 1995. The years that followed under the Chairmanship of Sri K Prakash Basri saw a number of Seminars, Study Circle meetings and joint programs with other professional and trade bodies being held in regular intervals and the Branch won Most SIRC Commended Performance Award and SIRC Active Branch Award for 1994 and 1997 respectively.

The new Premises also attracted new members to take up responsibilities in the Committee and the convention of having the Chairman's term for one year and of office-bearers taking up all responsibilities in the Committee each year was initiated by Chairman of 1997-98, Sri Srinivas S Kamath. He became the youngest Chairman on that date to welcome Sri Rahul Roy, the youngest President of ICAI who participated in a memorable get-together for inaugurating the ICAI Golden Jubilee Celebration Year and for felicitating Senior Members, Past Chairmen and Rank Holders.

As technology started picking pace, training in computer skills to members, telecast of ICAI programs via satellite and other technology initiatives gathered momentum under the chairmanship of Sri Vaman Kamath. Branch Newsletter 'Chinthana' was printed at regular intervals.

In 2000-01, the Committee under the leadership of Sri B. Chandrakanth Rao facilitated the furnishing of the Umanath Rao Auditorium, the Board Room Library as well as the first Computer Lab at the Branch Premises with capital grants from ICAI. The CPE Seminars at neighbouring towns like Madikeri, Kasaragod and Udupi led to spread of CPE learning initiatives and eventually birth of Udupi Branch of ICAI. Sri Kiran Vasant as Chairman in 2001-02, spurred the student activities under SICASA banner as well as brought out the

Branch Newsletter on a regular basis. As momentum of student services began to pick up, the year 2002-03, under the leadership of Sri A K Ranganath Shenoy, witnessed commencement of accredited classes for students and launch of Information Systems Audit classes and examinations for members.

The scale and size of branch programs got elevated to newer heights in 2003-04 due to innovative initiatives of the committee under the stewardship of Sri M Narasimhadas Pai. The Branch hosted its first ever mega Two day National Seminar which became a precursor to similar such bi-annual events in the years to follow. The increased emphasis to CPE Credits and steady increase of student population in the branch led to upgradation of branch infrastructure, refurbishing of library, appointment of Ms. Pramila as full time office-in-charge and such other developments. The year 2004-05 under the leadership of Sri Rudolph Rodrigues continued the tradition of conducting chain seminars for students, career counselling in colleges, the Members Day gala get-togethers and cricket events with the Income Tax Department. The highly successful National Seminar celebrated not only professional learning among members but also the creative talent in the CA family members and bonded the CA families of the branch in a unique manner under the leadership of Sri Nitin Shetty. The Branch was recognised with the first Best Branch Award at national level in 2005-06. Padmashri T N Manoharan, the mentor of Mangalore Branch activities visited the Branch in 2006 as President of ICAI. He also, during 2006-07, convened the Central Council Meeting in this City, a unique honour to the branch. That year, under the leadership of Sri Praveen Shetty, a delegation of Chartered Accountants made the first ever overseas study tour to Dubai and Abu Dhabi. Sri Giridhar Kamath, a pioneer in non-traditional learning, took the members and students to discover new dimensions of learning through nature treks, training sessions in soft skills, visits to shelter homes besides organising a successful National Seminar and Ganesh Shenoy Memorial Public Lecture program on Taxation. The Branch got its new website under the initiative of Sri Bharath Shanbhogue during the year 2008-09.

The Branch Premises at Mahendra Arcade got a complete make-over with capital grants of ICAI under the leadership of Sri Naveen N and President Sri Utham Prakash Agarwal inaugurated the facility on 19-1-2009. The Diamond Jubilee Celebrations of ICAI was held at the new premises that marked felicitations to members in profession over 30 years. The branch once again conducted a highly successful two day National Seminar on Direct Taxes and at the same time, took the members focus to newer IT areas like international taxation, information systems audit under the leadership of Sri S Srinivas Kamath in 2010-11. An energetic band of chartered accountants and communication experts teamed up under the leadership of CA M N Pai and began soft skill training to students and in due course this student friendly initiative got institutionalised as the widely acclaimed General Management and Softskills Course for CA Students.

Branch continued its saga of conducting a variety of Seminars, Workshops and Certificate courses benefiting the members and students alike in the two years of 2011-12 and 2012-13 under the leadership of Sri Chandramohan and Sri Muralimohan respectively, and these activities brought the Most Commended Performance Award of SIRC to the Branch for these consecutive years.

During these years, while the Branch had metamorphosed into a beehive of activity involving members and students in like measure, the perception among members gathered momentum to have a modern building premises equipped with facilities to take them to the new frontiers of professional excellence. The new Building Committee constituted under the leadership of Sri Nitin J Shetty and the managing committees under the leadership of Sri Chandramohan, Sri Muralimohan and Sri Jagannath Kamath over the consequent three years toiled and left no stone unturned to give a facility par excellence to meet the present and future needs of the members and students. The Central Leadership of ICAI also, notably Presidents Sri G Ramaswamy, Sri K Raghu, in response to the persuasive follow up of the Building Committee Team, rose to the occasion in an exemplary manner to ensure that funds in good measure and the best of facilities were provided at the new facility. 'ICAI Bhawan' at Padil was inaugurated on 16th February, 2014. The Branch got the Highly Commended Performance Certificate of Appreciation from ICAI Delhi during this year under the leadership of CA Jagannath Kamath.

2014 was yet another landmark year as the Branch attained the Mega Branch status with 531 members and gave to itself its first ever Lady Chairperson in CA Shyamala Shenoy. While staff strength rose to 7 members, the fund raising process for the Building Project was completed. The land at Padil was purchased for a cost of Rs 1.24 crores funded out of ICAI Grant of Rs 1.15 crores and the State of the Art Building together with interiors, Elevator, Air-conditioning, Acoustics, Computer Lab facilities comprised of Auditorium, Class Rooms, Library, Administrative Halls etc., was completed at a cost of Rs 3.62 crores funded out of ICAI Grants of Rs 2.36 crores and balance out of Branch surplus and Donations from Members.

The Teams under the successive leaderships of CA Shivkumar, CA Keshav Ballakuraya, CA Bhargav Tantri and CA Shivanand Pai, started functioning like a Relay Team Quartet, making the ICAI Bhawan as the focal point of Member and Student Centric Activities.

Apart from the largely successful CPE Seminars and Workshops for members in Practice and in Industry, a number of Certificate Courses for members, Residential Seminars for Members and Students, Women and Young Member empowerment initiatives, Webcasts, Orientation, Management Skills and Information Technology Courses for Students, Mock

Tests and Crash Courses for Examination Aspirants were conducted regularly at the Branch in these years. Programs of general interest like Members Day Gala, Outdoor and Indoor Sports Events, Cricket Tournaments with Tax Department Teams, Blood Donation Camps, Yoga Seminars, Walkathons and Swacch Bharath Programs also began to be conducted in regular intervals. Branch was honoured during these successive years with the Best Branch Award under Medium Size Branch Category in SIRC during the leadership of CA Shivakumar, CA Keshav Ballakuraya and CA Shivananda Pai respectively and Best Branch of SICASA under the leadership of CA Bhargav Tantri and CA Subramanya Kamath.

The Mangalore Branch has made its foray into cyberspace and has leveraged the new age IT powered media in a big way under the initiative of CA K Ananthapadmanabha. The Branch has been reaching to members and students through its website, youtube channel, Facebook page, Whatsapp and Instagram Accounts and of late has successfully been hosting Webinars as a positive corollary to the COVID Effect.

Successive Members National Conferences like Jnana Deevige, Parva, Kshamatha, Swadhyaya and Avirath and Student Conferences like Jnana Sathra, Lakshya, Aarohan, Widwath and Shaikshya were well received by Members, Students and General Public for their conception, content and arrangement in state of the art venues of the City. These events have also brought the CA Families together under the CA Parivar banner to showcase their in-house talent through widely acclaimed cultural performances on themes like National Integration, Yakshagana and Tulunadu Culture and so on.

The Branch through its Member and Student centric activities, has grown into a model Branch centered around the Padil ICAI Bhawan – the ‘Modern Temple of Learning’.

The members and students of Mangalore Branch look back at the milestones of their success march and take pride in their Saga of professional excellence pursuits over these years. The Branch is in its Fiftieth Year and in this Golden Hour the members and students are excited in anticipation about the good forebodings coming their way. Members and students of Mangalore Branch say today and always: ‘Let Noble Thoughts come to us from all sides’.

MESSAGE FROM PRESIDENT, ICAI

CA. Atul Kumar Gupta

President, ICAI

It is a matter of immense pleasure that the Mangalore branch of Southern India Regional Council (SIRC) of ICAI is entering into 50th year of its formation and occasion is celebrated as Golden Jubilee Foundation Day. I extend my best wishes to the entire branch

managing committee team, past chairmen and managing committee members, and all the members and students whose efforts have made the branch a very vibrant one. It is indeed a momentous occasion and great milestone to achieve in the service to the society.

The Accountancy profession is undergoing a paradigm shift. The Chartered Accountancy profession has emerged stronger with testing times and this has empowered the professionals to face the new world with more confidence and expertise, so that not only the opportunities are explored to the fullest, but at the same time withstand the changes of ever dynamic economic and regulatory scenario.

In the present challenging times, when the world is facing an unprecedented challenge in the form of Covid-19 pandemic, we as a profession need to come out stronger to be a role model in society and to contribute towards the revival of Indian economy. Every challenging circumstance which presents disorder is in fact is the best occasion to learn more and fear less. Our members need to realign themselves and innovate to face the emerging realities to maintain the competitive edge achieved by the profession over a period of more than seven decades.

MESSAGE FROM VICE PRESIDENT, ICAI

CA Nihar N Jambusaria

Vice President, ICAI

It is heartening to note that Mangaluru Branch of SIRC of ICAI has entered the Golden Jubilee Year of its foundation, since being set up on 18th August, 1971. It is indeed a momentous occasion that marks the milestones achieved by the Branch in the way of providing learning and professional opportunities to the members and the students in the region.

The Institute of Chartered Accountants of India (ICAI) being the second largest accounting body in the world is committed to develop world class competencies amongst the members of the profession. ICAI has been taking dedicated steps in this direction through the collaborative efforts of all its Branches and Regional Councils across the country. Adjusting to the new world economic order after Covid-19, the students and the members belonging to the profession need to rise and equip themselves with the necessary skill sets in terms of subject knowledge and professional acumen.

It is a pleasure to note that with an objective to commemorate the occasion of Golden Jubilee of its Foundation Day, the Mangaluru Branch of Southern India Regional Council (SIRC) of the Institute of Chartered Accountants of India is launching an E-Souvenir. I am really hopeful that the Mangalore Branch will keep up the good work being done in terms of services being provided to the members and initiatives undertaken for the students and shall contribute actively towards ICAI's mission and vision.

I would like to once again congratulate the Branch and members of its managing committee since its inception for taking this initiative and wish grand success in all their forthcoming endeavours.

MESSAGE FROM PAST PRESIDENT, ICAI

CA.B P RAO

Past President of ICAI-1994-95

I am delighted to know that Mangalore Branch of ICAI is celebrating its Golden Jubilee on 18th August 2020. On this occasion I congratulate all the members of Mangalore Branch. Many of the members would have served in the Managing Committee in different capacities. I salute all the past chairmen of the branch and members of managing committee for their leadership in bringing up the branch to the glory of professional excellence in all these years.

Mangalore Branch of ICAI is special to me for more than one reason. First, I belong to South Kanara district and I did my graduation from St Aloysius College. Secondly, I passed both Intermediate and final examination of our Institute from St Aloysius College examination centre in the year November 1974 and May 1976. Thirdly, my membership and COP are dated 18th August 1976, the same date the Mangalore Branch came into existence. Fourthly, I was fortunate to inaugurate first building of Mangalore branch in the year 1994 when I was the President of ICAI.

The success of any organisation depends upon the quality of its leadership. Mangalore Branch had highly enthusiastic and motivated leaders since its establishment in the year 1970. I know the Members of Mangalore Branch are hard working, highly knowledgeable and sincere in their approach. With collective efforts of all the members, the Branch could get more than 10 awards since 1994 and this shows the ability of the chairmen and committee members of Mangalore branch. I thank all these members who have immensely contributed to the growth and success of the Branch. On this occasion I wish all the members of the Branch best of luck and good health.

Your Branch is known for the educational services to the students of our profession. They are the future of our profession. If we nurture them well with good training and better study environment, they will become excellent professionals. I am confident that the managing committee of the Mangalore branch will provide excellent facilities by way of good library, better study environment and lead them to success in the examination.

The Managing committee has invited very special knowledgeable and famous personalities to celebrate Golden Jubilee of the branch. The Covid19 has provided an opportunity for all the members of profession to attend virtually and witness the Golden Jubilee celebrations of the branch. On this occasion I convey my personal felicitation to all the members of the branch and wish them the best in their professional career.

Dear Chairman CA. Nayak,

At the outset let me congratulate Mangaluru Branch of SIRC of ICAI for the sustained excellence over the past five decades in serving the profession, members and students of ICAI and various stakeholders and public. Celebrating the Golden Jubilee founding day on 18th August, 2020 and thereby marking the commencement of the Golden Jubilee year is a milestone in the annals of the Branch.

My heartiest congratulations to Mangaluru Branch, Udupi Branch and Shimoga CPE Chapter for coming together and organizing a Virtual CPE Meeting on 18th and 19th August, 2020 to commemorate this special occasion. Looking at the stature of the dignitaries and Resource persons addressing at this virtual program, I am confident that this would turn out to be the most cherished event not only for the members of the Mangaluru Branch but also for members of the Udupi Branch and Shimoga CPE Chapter as they were part of the Mangaluru Branch earlier.

Mangaluru Branch of SIRC of ICAI has been functioning efficiently thereby advancing the cause of the profession. The Branch has been successfully hosting mega conferences for members periodically. The Branch has also been conducting educative programs and classes for the benefit of the students pursuing CA curriculum. I recall with pride the dedicated services of the Past Chairmen and other senior members who enabled the Branch to grow from strength to strength.

With fond memories I recall the several programs hosted by the Mangaluru Branch in which I participated as a resource person. I must place on record with gratitude to the Mangaluru Branch members in general and CA. Praveen Shetty, then Chairman and his team in particular, for hosting the outstation Council meeting during my tenure as the President of ICAI during 2006. Special mention needs to be made to the Udupi Branch for their kind hospitality during our visit to Udupi at that point in time. I am fortunate to have been the beneficiary of the abundant affection of the members of the Mangaluru Branch, Udupi Branch and Shimoga CPE Chapter.

I take this opportunity to wish you and your team of office bearers and managing committee members all the very best in your endeavors and more specifically for the yearlong celebrations of the Golden Jubilee. I wish the Branch to grow from strength to strength and to continue to excel in serving the Members and Students. I'm confident that the Virtual CPE Meeting would prove to be an enriching and memorable experience for the members.

MESSAGE FROM CENTRAL COUNCIL MEMBERS

CA. G Sekar,

The Institute of Chartered Accountants of India

Chairman

“ICAI Bhawan”

Auditing and Assurance Standards Board

New Delhi

Dear Sir,

Greetings!

It is most gratifying to learn that the **Mangalore Branch of SIRC of ICAI** is commemorating the commencement of 50 years of formation of the Branch in a befitting manner on **18th and 19th August 2020**.

A very good beginning for the celebration with our beloved President inaugurating the occasion in the gracious presence of our beloved Vice-President.

I compliment the entire team of Managing Committee of the Branch and other organizers for making the event more meaningful and lively having lined up the inaugural session of the Golden Jubilee Celebrations with the virtual CPE Meeting on most important and contemporary subjects of professional interest inviting luminaries from our accounting and auditing profession to share their expertise on 18th and 19th August 2020.

It is a very creditable and most worthy performance that the Mangalore Branch has been rendering to their members and students in particular and to the accounting and auditing profession in general over the last 50 years of its presence. It is therefore the most befitting occasion for the Branch to celebrate the Golden Jubilee Year of the Branch in grand manner. I am equally happy that the Mangalore Branch is celebrating this memorable occasion along with the Udupi Branch of SIRC and Shimoga CPE Chapter of SIRC. I am sure the Branch will, during the year of celebrations, organize numerous, variety and unique programmes once normalcy is fully restored in a much more grand and impressive scale and add value in building up the image of the profession.

I also offer my appreciations to the founders of the Mangalore Branch and their successors for laying a strong foundation on which the present team is following their legacy in an admirable manner. The outstanding performance of your Branch has also been recognized by ICAI and the Branch has been adjudged as one of the vibrant Branches on many occasions.

The zeal and enthusiasm with which the organizers are celebrating the occasion even under the trying circumstances amid the COVID pandemic deserves accolades. On this occasion I convey my heartiest greetings and congratulations to all the members of the Mangalore Branch and wish them all success in their professional career. I am sure the Branch will scale newer heights and reach the pinnacle of glory in the years ahead with the active support of the members as they are always known for extending to the Branch.

MESSAGE FROM CENTRAL COUNCIL MEMBERS

CA Vijay Kumar M P

Central Council Member

Hearty congratulations to the members of - Mangaluru, Udipi and Shimoga towns on the occasion of the golden jubilee of the founding day of Mangaluru Branch of ICAI. All of us are happy that, in this half-a-century, the journey of the Branch has been exceptionally good, with membership strength touching 700 and student strength crossing 3500. Also, the contribution of intellectuals from Mangaluru Chapter towards growth of the profession has been immense.

I am delighted that this occasion has been converted into an opportunity to have an update on issues of current-day relevance, e.g., New Avenues available for CAs, and Future of the Profession and CA firms. I am positive that the discussions will focus on the quality of professional work, on filling the expectations gap, and imparting training to new members.

The challenges faced by the audit profession are on the upswing. Complexity in audit function is glaring. Technical excellence and skill-set requirements are also becoming sharp and acutely sensitive. There is a need for attest functionaries to be better equipped in many areas relating to audit. These include cyber-security Issues, Information Systems audit, forensic audit etc., and keeping abreast of ever changing economic environment. This need is more real than apparent. Let us make concerted efforts at facing this successfully.

May this Golden Jubilee occasion mark the day of pledge for bringing about a visible and admirably positive change in knowledge and skill-sets of all professionals, who can reach and retain the highest standards of professional ethics that constitutes the foundation of the profession.

I share with you what our Founder President Late Sri G P Kapadia, once said. He said "The Chartered Accountant is a person on whom every member of the society could rely and rely strongly. His certificate would be one by way of a seal and a hall mark of which would inspire confidence in the minds of all concerned as certificates by a person fully competent and holding a charter from the Supreme Legislature of the country for the purpose." These words are unquestionably pertinent even today.

I wish the Golden Jubilee function success. I also extend my felicitations to each member of the Managing committee of the Mangalore Chapter led by CA S S Nayak, ably supported by the leadership of Udipi Branch and Shimoga CPE Chapter on the efforts that would make this function a grand success.

SIRC CHAIRMAN MESSAGE

CA DUNGAR CHAND U JAIN

Chairman, SIRC of ICAI

My heartiest congratulations to all members of the Mangaluru Branch of SIRC of ICAI on the occasion of its Golden Jubilee Founding Day Celebration.

Our Chartered Accountancy Profession has been rightly recognized a Partner in Nation Building due to its seven decade long contribution for the macro and micro economic development of the Nation. The contribution of the ICAI organs like the Mangaluru Branch in maintaining the core competencies of our members in this part of the country is greatly admirable apart from its contribution in grooming students community over these years,

Since the formation of the Branch in 1971, many members of our Institute of Mangaluru, either as members of Branch Managing Committee or otherwise have laid a strong foundation for the Branch. They have also left behind them a mission and vision - for the Branch for their successors to follow - who have ably taken them forward to keep the activities of the Branch dynamic and the Flag of the Institute high by their continued and selfless service to the profession and CA students fraternity at large. It is through the performance that they have exhibited that the Branch received many awards and recognition from ICAI and SIRC.

I congratulate the Chairman CA. Shantharama Nayak and his team under whose Chairmanship the Mangaluru Branch is entering Golden Jubilee Year.

In a befitting manner on this grand occasion I am glad to know the Mangaluru Branch is organising a Two Day Virtual CPE Programme on 18th and 19th August 2020 focusing on contemporary topics and to be addressed by renowned resource persons.

I hope that the members attending this programme would gain the knowledge from the learned resource persons who are academically and technically proficient professionals with noteworthy practical exposure in their respective fields.

On behalf of SIRC of ICAI I extend a warm welcome to the dignitaries who are consented to grace the inaugural function of this Golden Jubilee celebrations and the Virtual CPE Programme,

With best wishes

SIRC SECRETARY MESSAGE

Dr.CA. ABHISHEK MURALI

Secretary, SIRC of ICAI

It gives me immense pleasure to know that the Mangaluru Branch of SIRC of ICAI is celebrating a memorable milestone, its Golden Jubilee Founding Day Celebrations in a grand and fitting manner. It is indeed an honour and a privilege to be a part of this 50th Founding Day Celebrations as Secretary SIRC of ICAI and as a Special Invitee at the Virtual CPE Meeting on 18th and 19th August, 2020 being organized to commemorate the occasion together with the Udupi Branch of SIRC of ICAI and the Shimoga CPE Chapter of SIRC of ICAI.

We are passing through a tough time with the Corona Virus drastically altering our lives and forcing us to adopt digital means of communication. Now the new normal is e meetings, e board meetings, webinars, web workshops and the like. It takes an immense determination and commitment to continue with CPE Programmes. It is my firm belief that by attending such virtual Webinars, Meetings and Conferences relevant to the subjects of practice, we can emerge with greater comprehension and knowledge, often loaded with invaluable tips and insights that come out of practical experience and which cannot be found in a text book or reference manual.

If you focus, prioritize and aim high, I am sure you will achieve your goal easily. I have always been enthused by Jacques Chancel's immortal quote "*Better get a stiff neck from aiming too high than a hunch back from aiming too low.*" *After all, it is not the years in your life, but the life in your years that counts.* With a view to enable the stakeholders to reach newer heights, the organizers have meticulously strived hard to organize this Joint 2 day Golden Jubilee Virtual meeting.

When the world has shrunk into a global village, it is of imperative importance to update oneself on the latest because geography has now become history. The key to success lies in having the latest knowledge at one's fingertips. Knowledge and comprehension of the new issues emerging therein are relevant and important for overall professional growth of learners. The technical sessions being addressed by a galaxy of eminent and erudite speakers would be useful for participants. I sincerely wish that the Mangaluru Branch once again on its Golden Jubilee Founding Day Celebrations and have no doubt that the CPE Meeting will be a fruitful, enlightening and educative experience for all the participants.

Wishing each and every one of you a Life, filled with academic fulfillment, prosperity, a wonderful career and bliss at home. Stay Home, Stay Safe and Stay Connected. Greetings to all the delegates and organizers.

Dr.CA. ABHISHEK MURALI

MESSAGE FROM EX OFFICIO MEMBER OF MANGALURU BRANCH

CA Geetha A B
Ex officio Member, Mangaluru Branch and SIRC Treasurer

At the outset, I would like to extend my heartiest congratulations for the Mangaluru Branch of our esteemed institute ICAI, on the eve of the Golden Jubilee celebration.

I would like to acknowledge the efforts of the pioneers of the branch from the likes of the first chairman of Mangalore Branch CA K.N. Basri to the dynamic and ever-enthusiastic current chairperson CA S.S.Nayak. The indomitable spirit that the successive committee members have been displaying is an inspiration that acts as a catalyst to continue the legacy.

As I write this missive, it gives me immense pride and happiness for having been part of this branch and the memories make me nostalgic. It has been a delightful journey indeed coupled with challenges and achievements. Success may travail in pain and the endurance becomes fulfilling when the conceived goals are accomplished. The branch has strived consistently in implementing key initiatives to extend better services for both the members and the students. It is an undisputed fact that consistency is the key factor of success in any organization and it is nothing short of a gargantuan task to sustain the standards set. I was fortunate to witness the unwavering commitment by the Mangaluru team to live up to those expectations.

“Every milestone achieved is a beginning to the unveiling of yet another milestone”. 50 years is undoubtedly a journey worth contemplating and cherishing. The onus is now to continue to evolve as a premier wing by partnering in the journey of budding professionals to help them progress as global leaders.

I convey my best wishes to all my professional colleagues and dear students for their future pursuits.

MESSAGE FROM PRESENT CHAIRMAN OF THE BRANCH

CA S S Nayak
Mangaluru Branch Chairman 2020-21

My dear Professional Colleagues,

Greetings for Golden Jubilee Founding day of Mangaluru Branch.

“य एषसुप्तेषुजागर्ति” is always a guiding source of inspiration to entire CA fraternity. At the onset, I wish and pray that my message finds you all in the best of health even in these trying times. We may be in the

times of physical distancing, but the online bonding is more than ever before.

During this golden jubilee period, it is my honour to serve as the Chairman of Mangalore Branch. At the beginning of this term, we had planned an eventful year, but nature and God had different plans. We are happy that, with the high inclusion of technology and virtual meetings that have happened in the past six months, the past few months have fared better than what we had planned. **“We plan ordinary but God plans extraordinary for us.”**

A peek into the past –

In this 50th year of our branch, first and foremost I would like to take this opportunity to share the past journey of our Mangalore Branch, **which today is the second largest branch in our state.**

Beautiful explanation by Swami Vivekananda:

Explaining the meaning of ‘Association’. He said:

“The rain drop from the sky: if it is caught in hands, it is pure enough for drinking. If it falls in a gutter, its value drops so much that it can’t be used even for washing the feet. If it falls on hot surface, it perishes. If it falls on lotus leaf, it shines like a pearl and finally, if it falls on oyster, it becomes a pearl. The drop is same, but its existence & worth depend on with whom it associates.”

We are proud to be associated with people who are good at heart, intellect & vision.

“ Vision without action is merely a dream. Action without vision just passes the time. Vision with action can change the world.”

Our branch was established exactly on this 49 years ago, that is on August 18, 1971. So today we complete 49 years of having been established and enter into the 50th year now. In these last 49 years, many of my professional colleagues have steered the branch to medium size Branch with 750 plus CA members & 3500 CA students on board. Our branch has seen many outstanding and note worthy events that have taken place under the leadership of our esteemed past chairpersons & their esteemed team. I am thankful to each and everyone of them for taking forward the Branch to new heights. Their achievement is the united efforts of our predecessor chairpersons & the committee for which I express my heartfelt gratitude.

Our branch premises and facilities offered at the branch

Mangalore Branch at present owns a spacious campus at ICAI Bhawan Padil with state of the art 340 seater capacity auditorium & also a reading room & ITT lab at ICAI Bhawan, Mahendra Arcade. I request all the members & students to make use of the facilities.

Our branch in its saga of journey from 1971 till date, has outperformed in many categories and received numerous honours. I extend my heartfelt thanks to all award winner chairpersons.

“निश्चित्वायःप्रक्रमतेनान्तर्वसतिकर्मणः।अवन्ध्यकालोवश्यात्मासवैपण्डितउच्यते॥.”This VidurNeeti quote states, “A Wise person is committed to his Endeavor Beforehand, he does not take long breaks before completion of the task, does not waste time, and has a control on his mind.”

Today when we enter the 50th year, the branch has many feathers in its cap, and it is our collective duty to keep adding to the same.

I would extend my heartfelt condolences on the sad demise of our tall leader, Role Model, friend, philosopher & guide CA S S Kamath, who was one of the most respected, senior most professional colleague, past chairman and also one of the founding members of our esteemed branch. We were fortunate enough to receive his guidance on many occasions. We pray that the departed soul attainsadgati.

The year 2020-21

We have begun this year with lots of events that were planned meticulously. We are proud to share that we could successfully conduct interaction meetings with Income tax Department, Union Budget by ICAI members & general public jointly with Mangalore Productivity Council & many more useful programs. Due to the current situation, we have had to take certain detours but our enthusiasm is definitely not dampened. **Even though there was lockdown we could knockdown it & make the best use of digital platform by conducting 10 webinars & 5 VCMS & also numerous student activities which has profusely enhanced the knowledge of members & students.** I thank all the resource persons for sharing their rich knowledge among our fraternity. I also owe my gratitude to my colleagues in the committee & all members & students for supporting in all branch activities without whom there would not have been blissful events.

To commemorate the momentous occasion of Golden Jubilee, Mangaluru Branch of SIRC of ICAI, is organizing virtual CPE meeting on 18th & 19th August 2020 in association with Udupi Branch of SIRC of ICAI & Shimoga CPE Chapter of SIRC of ICAI.

The programme will be inaugurated by ICAI National President Sri CA Atul Kumar Gupta and by Vice President Sri CA Nihar N Jambusaria. Eminent and distinguished members of CA fraternity will be speaking on contemporary issues in various sessions. CA Sri T V Mohandas Pai, CA P R Ramesh, CA Dr. Girish Ahuja, renowned author, CA Dayaniwas Sharma, CCM will speak on various topics on Profession & Taxation. We are also honouring our past chairpersons for their sacrifice & commendable contribution to the Branch & society on 18th August.

Conclusion

At present, we all are, as a society, going through trying times. But keeping up our positivity and motivation is in our hands, I am sure, all of us will emerge more positive and more enthusiastic on the other side of this situation because **Curvy roads make skilful drivers. Every challenge is an opportunity & every opportunity should be taken as challenge.**

On this auspicious day of Golden Jubilee, let us celebrate wisdom, education, and let's promise to conquer knowledge with goodness. **Let's contribute to perform, reform & transform** the economy & make India feel proud about us. We should work towards the best interest of the nation in keeping with true spirit of the principle of ICAI i.e. '**Partner in Nation Building**'.

'There are no such things as limits, there are only milestones.'

I also congratulate & owe my sincere gratitude to all my beloved professionals in practice, Industry, business & at abroad as well for holding high our professional dignity & values.

Best Regards,
CA S S Nayak

It's a great pleasure to have the torch bearers of our Institute, President of ICAI CA. Atul Kumar Gupta and Vice President CA. Nihar N. Jambusaria on this occasion.

The role of Chartered Accountants is changing tremendously, way beyond the traditional roles of auditors and accountants. The Information Technology revolution and new regulations enacted by the Government of India recently have opened up plethora of opportunities and challenges. While these would ensure growth opportunities, this kind of programmes would provide a platform to exchange and share expertise, concerns and to give their views to the government and regulators. I am sure that technical deliberations and interaction with the faculties would lead to further enhancing knowledge of the participants thereby, paving way for improving the quality of service to the stakeholders of our profession.

My hearty felicitations to the Chairman of Mangalore Branch CA. S.S Nayak and Managing Committee members on this joyous occasion and wish that Mangalore Branch to scale greater heights in future. I also wish the Golden Jubilee Foundation Day Celebration Programme a grand success.

MESSAGE FROM DIGNITARIES

CA Chandra Poojary

Accountant Member(in the cadre of Additional Secretary to Government of India) Income Tax Appellate Tribunal (ITAT), Ministry of Law & Justice, Govt. of India.

I would like to congratulate the governing body, professional colleagues, students of the profession, and staff of the Institute on the occasion of celebration of its golden jubilee. I am very happy to be a part of this milestone of Mangalore branch. This branch was instituted in the year 1971, provided opportunities to young people who wanted to enter the professional arena and participate in the nation-building activities. This branch has successfully brought out many eminent Chartered Accountants, who have held the flag of the Institute high.

An institution's future is dependent on its stakeholders' interest in achieving its goal. One way of achieving success is by making everyone a stakeholder in the task of the building of the Institute. It is possible to build institutions in the best way by spreading the knowledge in this competitive environment and only those professionals who are properly skilled and trained will achieve success. The onus is on this branch to prepare and train its members and students in a way that they are globally relevant and sensitive to the needs of the nation. Transforming students into competent chartered accountants and thereby converting this branch as a center of excellence is of prime importance. I hope that this will be done by this branch by providing ample opportunities to all stakeholders of this branch.

On this happy occasion of the Golden Jubilee Celebrations of this Branch of ICAI, it would be most appropriate for Chartered Accountants to reaffirm their commitment to the cause of excellence, independence, ethical conduct and highest standards of professional integrity. The ICAI has served our country with great distinction from many years and I sincerely hope and pray that the best is yet to come. I wish this Branch and all those connected with it all the best in their endeavour to attain scale greater heights of excellence and commitment to our national goals and ideals. I still remember when I first met you in Dubai and we discussed about the various initiatives we both are taking for our respective chapters and I was pleasantly surprised to see your passion to serve the fraternity. I still have that beautiful gift by you, books on "WORDS OF THE WISE".

Let me use a quote from that precious gift.

"Quality is never an accident; it is always the result of high intention, sincere effort, intelligent direction and skilful execution; it represents the wise choice of many alternatives."

I once again congratulate you all on reaching this Golden Jubilee Milestone. May you continue to flourish for all times to come.

Many thanks for your invitation CA S S Nayak and I am delighted to learn that the **Mangalore Branch of SIRC of ICAI** is organizing a **"Founding Day Celebrations-Golden Jubilee"** on virtual platform on 18th and 19 August, 2020.

Whose endeavors are preceded by a firm commitment, who does not take long rests before the task is accomplished, who does not waste time and who has control over his/her mind is wise. On the occasion of the 'Golden Jubilee Year' celebrations of the Mangalore Branch of ICAI - a symbol of many years of firm commitment, it gives me immense pleasure to pen down a few of my thoughts. We embarked on this long but memorable journey with a humble beginning way back in the year 1971-72 when the Mangalore Branch of ICAI was inaugurated at "Udaya Printery Building", Kodialbail, Mangalore-575003. Our Branch has since then chronicled many events engaging in the continuous development of its Members and Students, steadily progressing past different milestones. The exam centre opened by the branch in Mangalore during the 1970's has not only helped the student fraternity of undivided Dakshina Kannada, Madikeri, Kasargod and Shimoga districts but also contribute notably to the growth of the profession.

I fondly cherish and acknowledge the contributions of the Members and the efforts of Sri B.P. Rao, Past President of ICAI, New Delhi in releasing the grant and loan which gave us the premises 'we owned' and called as 'Ours' – a place that has, over decades, facilitated learning and expansion of our knowledge and strengthening of our profession. Our efforts gathered scale and momentum when we acquired an additional premise at Padil, Mangalore to foster the generations to come.

As ICAI Mangalore adds yet another feather in its cap, I send my felicitations and best wishes to the present Chairman CA S S Nayak and the Managing Committee members for a grand success of this event.

BRANCH PAST CHAIRPERSONS MESSAGE

CA Srinivas S Kamath
Mangaluru Branch Chairman 1998-99

Dear Sir,

The Mangaluru Branch of SIRC of ICAI is completing 50 years of useful existence to the Chartered Accountants and students pursuing the CA course in Mangaluru. The ICAI was set up in 1949 by an act of promulgation in the Parliament for the control and regulation of the Auditing and Accounting Profession in this country, and true to the purpose for which it was set up, the Mangaluru Branch of SIRC of ICAI has successfully achieved its objectives over these 50 glorious years of service. By conducting study circle meetings, CPE Seminars and various other group discussions being held at the Branch from time to time has helped Members update and upgrade their knowledge in various tax laws and amendments to various acts. This has helped Chartered Accountants deliver good advice to their clients in matters of Taxation and various allied Laws engaged in Trade, Manufacture and Commerce.

The students have also immensely benefited over the years by all the activities conducted by the Institute, which at present has various facilities set up at the Mangaluru Branch for conducting exams and training in GMCS, IT and conducting classes on subjects in which students will be answering their exams. The efforts put in by the past Chairmen has resulted in setting up the infrastructure in Mangaluru for conducting meetings, classes for students etc. I congratulate the Past Chairmen and office bearers of the respective years for their untiring efforts in making Mangaluru Branch what it is today. I congratulate CA S.S.Nayak, the present Chairman and his team for their untiring efforts in conducting the Golden Jubilee Year event in spite of the difficult circumstances due to the Covid pandemic.

Long live the Mangaluru Branch of SIRC of ICAI and our prestigious profession.

Mangaluru Branch Chairman 1999-2000

It is a privilege to be associated with the Golden Jubilee Celebration of the Mangalore Branch of SIRC. In retrospect, I remember the glorious celebrations of the Golden Jubilee of our Institute in 1999. Since my association as a student starting from 1979 to being a member in 1985 to date, we have seen a lot of changes in the Profession, in the student examination and training.

Mangalore Branch is striving towards perfection year by year with a lot of initiatives to keep the members and students abreast of all the latest developments in various areas of studies and profession. With new blood and new brains joining in the administration of the Branch, we are amongst the top in the region which makes all of us proud of our set up. Of the branches of our size, we were the first to start classes for the students, we were amongst the first to set up a computer centre for imparting training in Information Technology. More than everything, we are considering ourselves as members of the same Professional Family. It is said in our scriptures that we should not consider ourselves as the originators of ideas and plans for the betterment but as executors of the will of the Divinity. Only in such a situation, the execution will be perfect and complete. Let us pray and strive together for the branch to have more glorious years in the future.

CA Chandrakanth Rao

Mangaluru Branch Chairman 2000-01

Celebration of Golden Jubilee Year for an Organisation is indeed a hallmark moment to reaffirm that it has matured into a successful institution. It is a momentous occasion to pause and appreciate that it has provided significant positive impact on an entire generation of people. I have been fortunate to be positively influenced and deeply enriched in my pursuit of professional excellence over three decades, from 1981 till date to be precise. It is indeed a Golden Moment for me as well.

I see Mangalore ICAI as a 'Temple of Learning' where the 'Goddess of Learning' is graciously waiting to enrich the fortunes of the dedicated students of learning who call themselves the 'ChiraAdhyayees' (CAs)!. I walked into the Temple as a young student with dreams and desires, I was embraced into the common pursuit of enriching professional knowledge by a close group of senior Chartered Accountants who mentored me into becoming a fellow professional with them. I was next given with love and trust by my fellow members, the responsibilities to serve in successive Managing Committees since 1988 and other Task Forces culminating with my Chairmanship in the year 2000. Thereafter I have been blessed with the sincere love and admiration of fellow members of the Institute who fondly see me as a Past Chairman ready always to share and contribute for the common cause.

I have seen with satisfaction, the Mangalore ICAI grow by leaps and bounds, blessed by the sincere efforts of innumerable number of students, members, and office-bearers who have, in their own ways, contributed to the good of this Institution. I consider myself a blessed Member of a 'Mutual Admiration Fan Club' of a dedicated band of professionals who have love and commitment to the profession and the Institute.

If your actions inspire others to dream more, learn more, do more and become more, you are a Leader! Yes, my belief 'Give to the world the best you have and the best will come back for sure' found new meaning in Mangalore ICAI. I am indeed a deeply satisfied Leader of Mangalore ICAI! No one finishes the Race, but everyone gets a chance to pass the Baton! – I too did it with immense gratification and applaud with satisfaction that I am able to witness this Golden Moment of Mangalore ICAI!

BRANCH PAST CHAIRPERSONS MESSAGE

CA M N Pai

Mangaluru Branch Chairman 2003-04

Every long journey starts with a first step....

I took my first step into the Managing committee of the

Mangalore Branch in the year 2000 as the secretary of the branch which was the first step for me to rise up to the chairman's position in 2002-03. Those days the CPE was not taken seriously and the members hardly visited the branch premises although we had a good library and the computer based ITR package which was costing a bomb then. However such facilities didn't enthuse members to attend the meetings, programs and seminars.

During this year itself CPE was made compulsory which forced the members to attend the events organised at the branch which brought life to the branch premises.

When I was the secretary in the year 2000 SIRC of ICAI was celebrating its golden jubilee and we at the branch initiated a discussion on holding the golden jubilee conference in Mangalore however it did not get through.

That was in my mind and I started working on it continuously for the next one year as the vice chairman so that we have a national seminar in Mangalore when I climb up the leadership ladder. Timely help by my teachers Bhupathy as the President of ICAI and T N Manoharan as the Central Council member gave me all the resources like expert speakers and the fiscal laws committees' involvement. Our members registered with all enthusiasm and made the first ever National Seminar a grand success by having 328 registration in August 2003. It is 17 years now and National seminars have become a routine affair for us. From ICAI golden jubilee to our branch golden jubilee we have come a long way. The committee of my chairmanship is still active on whatsapp and we do meet for a meal and enjoy each other's company.

Congratulations to each and every one of us at the Mangalore branch on this auspicious golden year and I am sure the branch will definitely grow to greater heights in the years to come.

Major Initiatives and achievements during 2002-03:

Pathbreaking First ever National Seminar in Mangalore with a theme "Equipping for Excellence"

Own Teleconferencing facility for the branch for participation by members.

Chain seminars for members and students.

Career guidance meetings to the college students in and around Mangalore special focus on rural colleges.

Thanks and Regards

I extend my hearty congratulations on the occasion of the Golden Jubilee Celebration of the Mangalore Branch of ICAI.

I am extremely happy and pleased to pen the following few lines by way of a message.

From very humble beginnings, our branch has grown by leaps and bounds and now stands tall and proud.

Every jubilee is a milestone and land mark in the history of an institution. The milestones reached and achievements of all those years pave the way for greater heights.

There is so much to celebrate and it is an opportunity to remember, reminisce and be proud of our accomplishments and achievements.

From its inception, the Branch is in the vanguard of upholding the high standards of our noble profession.

I express my deep appreciation for the good and hard work and selfless service of the office bearers and members, from inception till date.

I am sure that every one of us will make renewed efforts to propel the branch further in the future.

Great as the achievement of the last 50 years have been, there is no doubt, in my mind, that they will be eclipsed in the next half century.

I wish the Branch every success and look forward to its next thriving 50 years to come.

The Mangalore branch of ICAI is celebrating 50 glorious years on the 18th of August 2020. All these years our Branch has stood tall like a light house of knowledge imparting to all the members and students with its beacon of light. I am extremely honoured and privileged to be part of the Golden Jubilee celebrations organized for the Founding Day of our Mangalore Branch of ICAI scheduled to be held on the 18th and 19th August, 2020. I am happy to note that in commemoration of this historic event the Branch has organized a Virtual CPE Meeting to be addressed by several eminent Resource Persons on a variety of relevant current topics.

In the last 5 decades the Mangalore Branch has grown by leaps and bounds due to the vision, guidance and efforts of our illustrious Chairmen/Chairperson together with their dedicated teams. I would like to compliment all those who have contributed immensely towards the overall growth of the Branch.

I was privileged to be the Chairman of the Mangalore Branch for the year 2006-07. During my tenure I recollect organizing the first ever International Tour to Dubai and Abu Dhabi in December, 2006. It gives me immense joy to write a message for the Souvenir to be published in commemoration of the Golden Jubilee Celebrations of Mangalore branch of Institute of chartered accountants of India.

A Souvenir is a tribute to the past. It is a symbol of gratitude to those who had laboured untiringly to make the Institution great and a memento honouring those who helped it to earn a name.

The Golden Jubilee exhorts us to remember with gratitude the commitment as well as the dedication of all past chairperson, present managing committee, members of the profession, students and staff who have elevated this institution to its present prestigious position made evident by the remarkable progress that the institute has made and the recognition it has received. An institution can survive and progress or merely exist or cease to exist. Mangalore branch of institute of chartered accountants of India is a shining example of an institution that has stood the test of time and continues to progress in its growth while making commendable efforts to serve its members and students.

As I look ahead, I can visualize that Mangalore branch of ICAI will continue to grow with a strong tradition of service to the Indian economy in public interest. I wish the Members and students all the very best and many more years of prosperity and service to humanity and society.

Mangaluru Branch Chairman 2010-11

To my dear colleagues and fellow members of the Mangalore Branch of SIRC of ICAI and other valued stakeholders such as our CA students and CA families, I wish you all a very happy golden jubilee. To think that a beautiful idea conceived by a handful of CAs half a century ago has bloomed into this large and illustrious branch of the Institute is heart-warming; and a reminder to us all that small collective efforts over a period of time can yield large results.

Our golden jubilee comes in the midst of trying times due to the global pandemic, the likes of which have not been seen in a century.

To have our golden jubilee marked by such an important year in history is a unique privilege. While we take this moment to look ahead and wonder what lies in store for us and what path we wish to tread together – it would be apt to look at the past of our own branch. Our senior Chartered Accountants have managed to lay strong foundations to the culture of our branch and inspire all of us with a sense of hard work and togetherness. Today those very foundations will help us weather these stormy waters and come out stronger on the other side. What we must give importance to now, is that same collective effort and kinship – because as the popular proverb says, “The power of togetherness is the greatest power of all.”

BRANCH PAST CHAIRPERSONS MESSAGE

CA Chandramohan K.Y.

Mangaluru Branch Chairman 2011-12

It is heartening to note that the Mangalore Branch of SIRC OF ICAI has completed FIFTY GOLDEN YEARS of its useful service to the Chartered Accountants, C.A. students and the community of MANGALORE.

The pioneering and path-breaking efforts of a handful of visionary and diligent Chartered Accountants of Mangalore, Udupi, Kasaragod and adjoining areas in establishing the Mangalore branch on 18th August 1971 has today led to the development of a vibrant, dynamic and proactive congregation of over 700 Chartered Accountants and over 2500 students in and around the districts of Dakshina Kannada and Kasaragod.

The journey has indeed been very eventful and memorable with the untiring and selfless services and efforts of the successive Chairpersons at the helm of the branch affairs ably supported by the respective Managing Committees with the active participation, support and involvement of all the members, students, faculty and staff at the Branch Office.

The Branch and its membership have evolved and metamorphosed in more ways than one over the last fifty years as follows:

1. From a small group of members meeting occasionally to discuss the nuances of fiscal and other laws to periodic interaction at meetings at the Branch premises to regular attendance at CPE workshops, seminars and conferences at the state of the art auditorium at the imposing ICAI BHAWAN to continuous and seamless interaction through the digital mode and virtual presence, the members and students are constantly striving to stay abreast of the developments in their chosen field of activity/specialisation on a real-time basis.
2. From occasional coaching classes for students to regular study circle meetings and accredited classes to honing of skills through the I.T.T. and GMCS courses to continuous education and training in the digital mode on real-time basis today, the students are making the best use of the opportunities provided by the physical and digital infrastructure offered by ICAI, New Delhi and the Mangalore Branch.
3. The branch and its members and students are continuously reaching out to the general public and the society at large through educative programmes, career counselling and guidance programmes and other community outreach initiatives.

It is indeed a matter of great pride and privilege that the present Managing Committee of the Branch under the dynamic leadership of CA. S.S. NAYAK is organising a two day programme on 18th and 19th August 2020 to celebrate the GOLDEN JUBILEE event in a befitting manner.

I wish the entire team at the Managing Committee of the Branch all success in all their endeavours during the eventful GOLDEN JUBILEE YEAR 2020-21.

My best wishes to each and every member and student at the Mangalore Branch on this memorable occasion.

Dear Friends,

Every Institution would just be a group of members under a Name-board if not for the active participation and involvement by its members and a dynamic and decisive leadership by its office bearers. It is not just the professional activities that the institute conducts for its members, but much beyond as to how well it is able to build fellowship and serve the general public that will in the end bring respect and recognition in the society. The institute is collectively what we are individually. The Institute of Chartered Accountants of India Mangaluru branch has been a standing testimony to this.

I am happy that today as we celebrate 50 Golden Years of existence of Mangaluru Branch of SIRC of ICAI, I have been a part of this momentous journey as a Member for more than 25 years and also as part of the Managing committee team from 2006 to 2012 in various roles and finally as its Chairman in 2012-13. The Mangaluru Branch has been able to consistently perform year after year and today has carved out a distinct place as one of the most dynamic branches of ICAI. It is indeed a momentous occasion for all of us to celebrate and bask in the glory of the last five decades.

It is also a new beginning in our journey, this historic occasion should act as a springboard for all of us to take our institute and profession to greater heights in the days to come by actively involving ourselves in its activities for members and supporting the student activities. Let us Individually contribute as Partners in Nation Building and keep our Institute flag flying high.

It is a momentous occasion for each one of us as our **Mangaluru Branch of SIRC of ICAI** is all set to enter its 50th year of Existence. Any landmark is special, but when its something of this magnitude, it certainly makes you look back with satisfaction & pride for all the progress the branch has made. What started with a small office space at Udaya Printery, to our Mahendra Arcade Office & now to our Padil ICAI Bhawan, we have indeed taken big strides as we approach a milestone.

The journey of 50 years requires continuous shouldering of responsibility & at this moment I wish to express my hearty congratulations to all those have contributed as Chairpersons, as Past Chairpersons have always been a source of support & a guide to the branch. The present Committee led by the ever-charming CA. S. S. Nayak has been doing excellent work & with the right combination of experience & youth, the branch is doing a commendable job. I compliment the efforts of the Committee to pull off an event of this stature so effortlessly, even in this moment of pandemic.

I was really fortunate to have got an opportunity to serve the branch & lead as the Chairman during the year 2013-14. That year, will always remain special for the branch in more ways than one, firstly with the Inauguration of ICAI Bhawan, Padil, a state-of-the-art facility which is certainly one of the best in the country & secondly with the branch bagging Highly Commended Performance Certificate from the ICAI, thereby bringing laurel to the branch on an All India basis. Students activities too picked great pace that year with a bunch of enthusiastic office bearers of SICASA, changing the dynamics of what's in store for the student fraternity. It is indeed nostalgic to reminisce the glory of the branch.

I place on record my heartiest greetings & best wishes to our vibrant Mangaluru branch as it gears to enter the glorious 50th year. I further wish & pray our branch continues to attain glory and scales incredible heights.

The biggest strength of our branch is our members. Our small well- knit community of hardworking and sincere professionals , many of whom are actively engaged with the society they live in. Their professionalism and demeanor has elevated the reputation of our Institute in the eyes and hearts of Mangaloreans. It is their thirst for knowledge and skill upgradation, which draws them to seminars and conferences, not CPE credits. Politics has been successfully kept out of Mangalore branch administration. The offices of the branch have been taken up with a sense of duty rather than as a position of power. 50 years has been a long journey but on the straight path. Two buildings, over 700 members, nearly 3000 students is not a small achievement for a branch in a mofussil area.

My congratulation to Chairman CA S S Nayak and his team for carrying on the tradition of Mangalore Branch while taking it to greater heights.

I feel extremely happy to send this message for the Souvenir to mark the Golden Jubilee year of the branch. The completion of 50 years is indeed a major milestone in the life of an Institution. The branch has travelled long way since 1971. It has earned considerable appreciation and accolades for conducting value based activities for members and students. There are many who have dreamed high, planned meticulously and sacrificed their energy and time in leading the branch along the path of success. I congratulate and compliment each and every one who is instrumental in achieving this success. I wish the Journey be continued with more and more drive, zeal, compassion and diligence. We all know that *'progress is the activity of today and the assurance of tomorrow'*. I wish the branch to continue *'excellence model'* of functioning, with clear vision and mission, under the able leadership of present and future committee members.

Kudos to the Chairman CA S. S. Nayak and his team for planning and executing the revised idea of Grand Golden Jubilee celebrations, quickly adapting to the changed scenarios enforced due to the Covid pandemic. The saying, *'When the going gets tough, tough gets going'*, aptly applies to this team.

Feel proud to have served as Chairman of the branch in the past and equally proud to be associated with its activities as member of the branch. .

Dear Professional Colleagues and students,

“Success is sweet, but the secret is sweat.”- General Norman Schwarzkopf

I feel honoured and privileged to convey my best wishes to one and all on achieving this great milestone. The successful completion of 50 years of our Mangalore Branch of SIRC of ICAI makes me nostalgic as I reminisce the years gone by, as how our Branch has grown with all the hard work each of us have put, in making it what it is today. I fondly remember Late CA S.S. Kamath, who was the founder treasurer of the Branch in 1971 and the guest of honour at the inception of my tenure as the Chairman. We will always be grateful and indebted to him for being the guiding light in all our endeavours at the Branch.

On this day, as we celebrate the golden jubilee of our Branch at Mangalore, I congratulate the office bearers, members, staff and students who have come together and played a vital role at every step of this journey.

Mangaluru Branch Chairman 2017-18

"Theme for 2017-18"

Warm Wishes to all my dear CA fraternity.

We all feel proud and elated that Mangaluru Branch is celebrating the Golden Jubilee year. Mangaluru Branch is recognised for its Professionalism and maintaining high standards in conducting Branch Affairs. Since its inception in August 1971 the respective teams in charge of the Branch affairs have devotedly strived to keep the Branch Flag flying high. All the past Chairpersons have worked enthusiastically and given their best with highest ethical standards and devotion to the Branch in managing the Branch affairs. All are guided by the principle of "GIVING BACK" as said by Famous Purandaradasa:

“ಕೆರೆಯನೀರನುಕೆರೆಗೆಚೆಲ್ಲಿವರವಪಡೆದವರಂತೆಕಾಣಿರೊ”

Implying that whatever one has received from the pond (the Institute) pour back to it (the Institute) and be blessed.

I feel proud that I had the privilege of serving this Branch as a member of the Managing Committee for five years from 2014 to 2019 and as Chairman during 2017-18. We were a team of enthusiastic members always working cohesively for the betterment of the Branch and members. We as a team did some good work in the interest of the Profession at large and Branch in Particular during these years like conducting Seminars, Lecture meetings, Study Circle meets, Workshops, Certificate Courses etc. for Members apart from a National Conference – KSHAMATHA- on 5th& 6th December, 2017.

The present team managing the Branch affairs in this glorious Golden year is a blend of Mated Experience and Energetic Youth, filled with enthusiasm to do more. It is a testimony to their enthusiasm that this unique Virtual Programme is being organised in this extraordinary situation. I wish all the success to the Unique programme to commemorate the Founding Day of the Branch on 18th of August, 2020 in Virtual Mode.

BRANCH PAST CHAIRPERSONS MESSAGE

CA Shivananda Pai B

Mangaluru Branch Chairman 2018-19

Greetings and warm wishes to all my professional brethren on the occasion of 50th year of Mangalore Branch of SIRC of ICAI.

Mangalore branch of SIRC of ICAI has a rich history in disseminating the professional knowledge to members and students, since its inception. I appreciate the foresight of the first managing committee, who visualised the need of full-fledged branch for coastal Karnataka and Kasaragod district of Kerala. Their dedication to serve the profession has really paved way for popularising the commerce education in general and our profession in particular in this part of our country. The branch also has the legacy of dedicated managing committees who have tirelessly worked for branch activities in service of our profession. Their selfless service is instrumental in commanding great respect for our profession in the society. Today Mangalore branch is one of the vibrant branches in SIRC recognised for its professionalism in all the activities.

As I unwind my memories of working in Mangalore branch managing committee, I feel honoured that I got an opportunity to serve our institute, from 2015 to 2018. I had the privilege of working in cohesive committee, where my seniors have handheld and guided me in all my endeavours of branch activities. Memories of hosting 'JNANA SATRA' Students' National Conclave in 2015 are evergreen. In 2018, when I assumed the responsibilities of Branch Chairman, I had the privilege of having Two past Chairmen CA Keshav and CA Bhargav in our committee, who made my job easier by their rich experience and guidance. It is rightly said that महाजनीयेनगतःसपत्न्याः which means walking in the footsteps of great men ahead us who have experienced the truth can really give us the way. Likewise, I followed the footsteps of all past chairpersons who are the role models in performance. Our team in managing committee was highly motivated for performance, could do a lot of activities like 'SWADHYAYA' Members National conference, certificate courses, seminars, study circles for members, and CA Student Conference, sports and curricular activities and the like for students. For the benefit of Mangalore SICASA members 2 Scholarship funds were created with a corpus of Rs 5 lakhs each, by the contribution by CA Prakash Basri and CA Sriramulu Naidu respectively.

The need for the members and students of the branch warrants more to be done. But, by serving the branch a bit that I could, it gave us a satisfaction in giving back to alma mater ("ಹರಿಯಕರುಣದೊಳಾದಭಾಗ್ಯವ, ಹರಿಸಮರ್ಪಣೆಮಾಡಿದಂತೆ"), as the saying :

अनिर्वेदअसिध्येषुसधितेशुअनहम्कृतिः ।

अनालस्यंचसाध्येषुकृत्येशुअनुग्रहाणां नः ॥

(meaning: There is neither regret for not achieving, nor there is arrogance for what is achieved, as we put in our best efforts. There is no lethargy for Institute work. Hence we pray the almighty to bless and be benevolent upon all members of our fraternity.)

Successful years of service to the profession by the branch are now culminating in Glory of Golden Jubilee. We have a dynamic and enthusiastic team at helm of affairs of our branch, led by CA S.S.Nayak., who have chalked out series of programs for GOLDEN JUBILEE celebrations even during prevailing testing times. I wish all the success in their endeavour to commemorate Founding Day and yearlong programs.

BRANCH PAST CHAIRPERSONS MESSAGE

CA Anantha Padmanabha K
Mangaluru Branch Chairman 2019-20

Dear Professional Colleagues,

I am delighted to be part of these two half-day programs to mark the grand beginning of Mangaluru ICAI's Golden Jubilee year (2020-21). I'm happy that, I have dual position here – being a member of the present Managing Committee of Mangaluru ICAI, I have also got the privilege to be a member of the 'Past Chairmen Club of Mangaluru ICAI'.

Till reaching this milestone, it has been a long and successful journey of Mangaluru ICAI, since its establishment in 1971. All the earlier Committees led by various Chairpersons have done a wonderful administration of this branch and conducted several programs/events and secured several awards and due to all these, our branch has secured a good name & fame amongst all the branches of ICAI. All the successors in that position are expected to carry forward the legacy bestowed by the erstwhile leaders. Mangaluru branch has got a good feature that, we have been getting a wonderful support from all the past chairpersons, members of past committees, senior members and many members /well wishers etc for the activities of the branch in one or the other way.

I joined the Committee in the year 2016 (Term 2016-19) to serve our branch. In that entire term, I prepared myself to lead the affairs of the Institute, gained several contacts of ICAI officials, CCMs, RCMs, many ICAI branch Committees/chairpersons, many Dept officials, Eminent personalities/guests of many programs, many Vendors/Service providers and many others. I took the charge as the Chairman of this Mangalore Branch of the prestigious Institute ICAI on 16th Feb 2019 and was leading the administration, operation and all the activities/programs of the branch, and I must say that, the term 2019-20, (i.e., 16th Feb 2019 to 17th Feb 2020) was really wonderful. I am very much satisfied about the performances, administration/ operations and activities in the term 2019-20. I must thank my colleagues in Managing Committee and all the Past Chairpersons/seniors/well-wishers for the tremendous effort and wonderful support put forth by each and everyone.

It's our pleasure that, the Torch Bearers of our Institute will be with us alongwith SIRC Chairman/Secretary for the formal functions, in the grand beginning of Mangaluru Branch's Golden Jubilee Year, which will be held on 18th & 19th Aug 2020. It's also our pleasure that, the members of our neighboring branch/Chapter, viz, Udupi branch of SIRC and Shimoga Chapter of SIRC, are also joining us on our Golden Moments.

In order to address increasingly complex issues, the professionals like us need to acquire updated knowledge and skills. This two half-day Virtual CPE Meetings (VCMs) are designed to equip the members with necessary skills and expertise for excelling in their profession. I hope that the participants will be immensely benefited by the deliberations made on the topics of professional interest by the seasoned speakers.

I'm eagerly waiting for the celebrations/programs on the occasion of grand beginning of our Branch's Golden Jubilee year. I wish the entire program a grand success.

Person filled with enthusiasm is a powerful Person. Nothing is impossible for an Enthusiastic Person. I am sure that the Committee under the leadership and Chairmanship of Mr.S S Nayak has left no stone unturned to make this programme momentous and memorable.

"Alone we can do so little; together we can do so much." – Helen Keller. This quote reminds me of my association with the Mangaluru branch. I really share a special bond with this Branch. Every visit of mine is to be cherished forever. It is also an added accomplishment that even during this pandemic times, Mangaluru Branch has not locked down itself and conducted series of programs/webinars for the benefit of members as well as students. This Golden Jubilee celebrations in association with Udupi Branch & Shimogga CPE Chapter shows their combined efforts to reach this saga of 50 golden years

I would like to pay my tribute to CA S S Kamath sir who has left for heavenly abode. He was one of the Founder members of the Branch. Even though he is not with us, his messages, inspirational and thought provoking talks will always be remembered.

For Young members my sincere suggestion is to kindly take advantage of the new professional opportunities viz, Artificial intelligence, Cloud computing, Block chain etc. Our smart students who are future Chartered Accountants should inculcate curriculum & latest digital updates to adopt changing dynamics of the profession.

I wish all the members and students a Happy Golden Jubilee Founding Day.

To conclude I would like to quote a line of Henry Ford, "Coming together is a beginning, staying together is progress, and working together is success." May we work together and stay together for years to make our Institute Flag fly high to become World's largest accounting Body from the present status of second largest. Let Mangalore Branch achieve many more milestones in future & the memories of the golden Jubilee be cherished forever.

For any organisation, 50 Years of journey is a remarkable achievement & hence

it remains cognate with Gold..... Glittering, Glorious, Rare & Precious!

The voyage encompasses the dedication and sacrifices of many persons who were at the helm of affairs, aiming for perfection at every level, making it exciting, excellent, and elegant.

Hearty Congratulations to the elite members of Mangalore Branch of ICAI for being the pioneers of setting up a branch as early as in the year 1970 and for having successfully run it for 50 Golden years for the benefit of the members and CA students in particular and for the benefit of the Nation in general.

I had the proud privilege of interacting with the erudite members of Mangalore branch for the last 15-20 years. Every time I addressed the learned members, it is me who was being more benefited. I am sure this must be the experience with every resource person addressing the Mangalore Branch as the members come well prepared for every program and the interactions during the programs are of the highest order focusing on "What is right" rather than "Who is right".

I convey my heartfelt appreciation to all the past chairpersons and the office bearers of Mangalore Branch who were responsible to have made it the most vibrant branch of ICAI. My Special compliments to the current office bearers, led by the Golden leader CA S.S.Nayak, (SundaraSvarnajayanthi Nayaka) who are performing the Golden Jubilee event in the most befitting manner even during these testing COVID times.

May the Mangalore branch of ICAI reach greater glories in the times to come and continue to be the pride in future as it has been in the past.

Dr. K. Rajesh Nayak,

Director-Training,

College Of Banking And Financial Studies, Sultanate Of Oman

I am delighted to know that the Mangaluru Chapter of ICAI is entering the milestone of its golden jubilee. During the last 50 years of worthy existence, the Chapter has rendered yeomen service to the profession by helping the ongoing developmental endeavours of its members and by supporting the ongoing flow of a steady talent pipeline by creating awareness about the profession among students and supporting and guiding students who choose to pursue the CA course. Right from my student days, I have had several reasons to respect and admire chartered accountants who have acquired their qualification by hard work and innumerable sacrifices and are rightfully reaping the rewards for their efforts.

I have had a close association with ICAI since my organisation, the College of Banking and Financial Studies (CBFS), which is under the juristic supervision of the national banking regulator- the Central bank of Oman, is the *sponsor of the Muscat Chapter of ICAI under an MOU signed in 2008 and subsequently renewed in 2012 and 2016.*

I am especially happy that my friend, philosopher and guide CA SS Nayak is the Chairman of the Chapter on this momentous occasion. CA SS Nayak is a Chaturmukha Brahma, a multifaceted personality with four different faces- professional, academic, social and communicational. In fact, he had been invited to Muscat by ICAI Muscat Chapter for a CPE Seminar on “ NRI Investments and Taxation” . His wit, humour and repartee during the interactions is still recalled with the highest admiration by the attendees. I am sure that he will make the Golden Jubilee year a most memorable one in the annals of the Chapter. This is evidenced by the galaxy of star guests and speakers that are due to grace the Foundation day event as such as CA Atul Kumar Gupta (whom I had the pleasure of meeting during his visit to Muscat for an International Conference in 2019), CA TV Mohandas Pai, CA PR Ramesh, CA Ulhas Kamath, CA A Raghavendra Rao and dignitaries. In conclusion, I would like to recall the words of the famous Poet Robert frost in his poem “ Stopping by the Woods on a Snowy Evening” -The woods are lovely, dark and deep, but I have many more promises to keep and miles to go before I sleep”. While rejoicing over the Golden Jubilee, the Chapter is all set for a new beginning and a glorious onward March to its Diamond & Platinum Jubilee, to eventually culminate in a grand Centenary. I wish the Chapter all success in its relentless pursuit of excellence.

Dr. K. Rajesh Nayak
